Sustainability Mission Statement of The Fota Collection

The Fota Collection recognises that it has a responsibility to the environment. Our aim is to comply with, and exceed where possible, our company's legal obligations and codes of practice. We are committed to reducing our environmental impact and continually improving our environmental performance. This is an integral part of our business strategy and operating methods. We hope to inspire our customers, suppliers, and other stakeholders to follow this example.

Our aim is for The Fota Collection Sustainability Policy to be embedded in our corporate culture.
